## Minutes of Big Bad Wolf Children's Theatre Company

## 5 November 2015

## **Dobbie Hall, Larbert**

**Present:** Grant, Agnes, Emma, Evonne, Louise, Claire, Fiona, Gemma, Stuart, Shirley, Laura, Karen, Gordon

Apologies: Tracev. Michelle, Steven

Agenda Item	Action
Welcome and Apologies	Grant thanked everyone for coming out on a miserable day
	to the first 'proper' meeting of the new committee. The
	minutes of the meeting on 26 October were taken as read.
	All the committee introduced themselves.
Committee Roles	Steven will continue as Treasurer this year. Gemma
	'volunteered' to act as Assistant Treasurer to learn the ropes.
	Agnes will get signatory forms to add Gemma.
	Gordon volunteered to deal with Publicity. Iain will continue
	to upload information to the website. <b>Stuart</b> will put together
	the artwork for the advertising banners for the show. <b>Shirley</b>
	will order them through Costco.
	Tracey will continue to put together the Parent Rota.
	Fiona will deal with Hall Bookings.
	Laura will continue with Tuck Shop. This will only be run when we're in the Dobbie Hall.
	Shirley will continue with Backstage. Louise volunteered to
	help. <b>Shirley</b> and <b>Louise</b> will stock kitchen during show
	week. We will put out an Honesty Cup for donations to BBW
	charities.
	<b>Stuart</b> is taking over Programme. Iain is happy to continue
	to take photos. <b>Gordon</b> asked if any member parents are
	photographers. Agnes will email to check.
	Fiona will take on NODA awards from Vivian and will be
	NODA Rep.
	<b>Grant</b> will take on sourcing Lights and Sound for the show.
	He has had an initial meeting with <b>Gavin</b> . It should be
	cheaper this year. Our agreement with M and M has now
	finished so we're free to shop around for quotes from other
	companies.
	Tracey will continue to co-ordinate gifts for show week.
	Shirley will continue taking Minutes.  Karen will become Registered Person for Child Protection.
	Grant will get more details for the Mobile Phone contract,
	carried forward to next meeting.
	Gordon will be responsible for contracts for Musicians and
	Production Team. <b>Fiona</b> said NODA musician rates now
	available. <b>Louise</b> will check rates paid by other companies.
	Agnes will forward current contracts to Gordon.
	Evonne will take on FDACC.
	Grant will continue at Dobbie Trust and will be Town Hall
	contact.
	Claire will don the Wolf costume as long as someone can
	look after Lily at events, if need be. We need to find where
	the Wolf suits are. <b>Karen</b> will stand in for <b>Claire</b> as needed.
	Fiona will take responsibility for speakers, pull up banner etc
	at carol singing. <b>Gemma</b> will cover Wheel.
	Emma will continue to organise Front of House.
Treasurers Report	Steven was not at the meeting. Grant will request an up to
	date statement and circulate it to committee.

Secretary's Report	Agnes has received an email from Burnbrae Nursing Home asking if the kids could provide entertainment in run up to Christmas. Agnes will reply to say this is not possible. It was decided to continue with carol singing in supermarkets rather than visit care homes.  Agnes suggested that kids are asked to provide their own plain Santa hat this year. Words should be decorated for switch ons etc. but no lights, tinsel etc.  Group bookings are going well and we have 4/5 bookings already.  Agnes has been forwarding the ticket sales reports to the committee. Fiona suggested this information be shared with parents too. There are around 1000 tickets sold of the 3000
	available. <b>Agnes</b> will forward ticket sales to parents. She has made a comparison table with last year and this year's sales.
	Claire offered to help Agnes with the BBW Facebook pages.
All Shook Up	Stuart has contacted many companies regarding advertising in the programme and onscreen during show week. Half page programme ad is £50 or £80 to include onscreen advert during show week. He is happy to contact any other leads. 2 programme adverts to confirm and there is currently 1 space after that. It may be possible to take more programme adverts and cut back the number of rehearsal photos in the programme. Agnes will email to check if any further interest in advertising. On screen still available. Good luck messages should be in by next week. Deadline for Programme items is end November.  Iain will film a promo video for the show which can be uploaded onto the website and Facebook. Agnes will email to check if any parent interested in taking on filming in future.  Claire is happy to continue with Group Bookings and has sent out emails and letters to many groups. Agnes will give Claire contact email for Morag Cloughley's Rainbows.  Stuart will email Group Booking address with his BB booking. Grant has a group booking too. Tickets are reserved at the Box Office for Group Bookings and are then paid for when they're picked up.  There were issues on opening day for ticket sales at the Box Office. Problems with their card machine. People were left queuing while staff took telephone calls. There was a block of seats unavailable for Friday night performance. No seats reserved so Agnes will email Box Office to check why seats blocked off.  Grant suggested trying to get more articles in the Herald.  Agnes suggested we run the Facebook competition for two show tickets again.  Grant will chase up orchestral parts as we have not received them yet. He explained to the new committee members that the rights were all paid up front for the show this year.  Agnes has spoken to the caterers. They are ok to provide buffet between tech and dress rehearsal on Sunday and for
	Hospitality night on Wednesday. It will be £5 per head on Sunday, as last year, £3 per head for Wednesday. She is still checking if they require an on screen advert. It was decided not to try to source a caterer for between the shows on the Saturday. Louise will ask her brother for a price for catering. Approximately 80 for Sunday buffet and 30 for Hospitality night.
Events/Fundraising/Matched Funding	Fiona has put up the lists for Carol Singing etc.  Stuart had emailed Persimmon to ask if they would be interested in advertising in the programme. They replied to say they provide matched funding of up to £1000. BBW can apply and Stuart has the link to the forms to apply. Stuart is happy to submit form and will check if there is a closing date.

	Gemma can apply for a volunteer grant of up to £500
	through her work.
	Gordon will put together a 'blurb' for the applications. Stuart
	will forward <b>Gordon</b> the link and <b>Grant</b> will proof check the application.
BBW Redesign	The future plans for a new smaller Town Hall may impact on
DDW Redesign	the company. It could be a 400 seater venue. Not a
	traditional design and there may not be a flying tower.
	There is a lack of suitable shows becoming available for the
	company. We are not doing panto. Do we revisit previous
	shows? Split into Children's and Youth Theatre? Look at
	different types of productions? Drama? Festivals? Should we
	look at extending the areas we gift? Governance? Fiona is
	concerned about setting up and suggested reducing the age
	limit for the company from 18 to 16? <b>Agnes</b> suggested no
	new member auditions during Town Hall transition year.
	Fiona was concerned there would be enough parents
	involved. <b>Grant</b> suggested it may be a different set up. Iain
	has offered to research issues. Is the company set up in the
	right way? <b>Grant</b> said we should take stock and see if the company is set up in a way that is fit for purpose. <b>Claire</b>
	asked if kids in Children's company guaranteed a place in
	Youth Company. <b>Grant</b> said it would be a committee
	decision on membership, rather than external. All agreed
	that Iain should take on Redesign Proposal for BBW.
	Plan now to have new Town Hall completed by 2018. There
	is the possibility of using Falkirk High or St Mungo's to stage
	a show if Town Hall not on schedule. There are still lots of
	decisions to be made regarding the new Town Hall and the
	proposal is going to council in December.
AOCB	No light switch on in Denny this year. Council keeps
	changing timings for other switch ons.
	It is sometimes necessary to make decisions within the
	committee by email. Please Reply All when replying.
	Hilary is concerned about the workshop door. Peter at FDACC has said the door is safe but will not visit the
	workshop to see the door. <b>Karen</b> is concerned that, if we
	repair it, we're then liable is anything happens. <b>Grant</b> will
	write to Peter Donald (FDACC). Although the building is
	owned by Scottish Canals the responsibility for repairs is with
	FDACC. Laura asked if FDACC would be willing to lock up
	the warehouse every night to lessen risk of BBW helpers
	, , ,
